This will be NERDBOT MEDIA'S 3rd annual NERDBOT-CON at the Pasadena Convention Center.

In 2018, we are going to go bigger and better with more activities, more vendors, more music, more guests, more games, and awesome panels!

NERDBOT-CON is your alternative to huge, faceless and expensive conventions with long lines and enormous crowds that steal your soul (and your wallet!). Our safe and family friendly event is centrally located in the heart of beautiful Pasadena, California.

NERDBOT MEDIA, a leading company in new media and journalism, has been organizing great meet ups, after parties, and night events in the Los Angeles area for the past three years, including the brand-new smash hit anime convention *Anime Pasadena*.

Our staff has been attending and covering conventions for *years* now. We think it's time for something different! NERDBOT-CON is a fun and interactive event for *all* attendees.

Cosplayers, photographers, collectors, and all Nerds and geeks that just want to go out, see their friends, and have an AWESOME time.

Our mission is to bring the very best photographers, videographers, vendors, and entertainment to the beautiful Pasadena Convention Center. It's going to be an amazing day of interactive giveaways, panels, Cosplay contests and photoshoots.
